

### Shri Guru Gobind Singhji Institute of Engineering and Technology, vishnupuri,Nanded-431606

# Welcome to the

# Department of Electrical Engineering

#### **About Our Department**

The Electrical Engineering Department, established in 2011-12, has developed with dedicated infrastructure and quality students. It focuses on power systems, power electronics, and drives, aligning with GATE, PSU exams, and other competitive exams while actively engaging in research and industry collaboration.

# EVOLT -A Technical Club of EE

The EVolt Club is a dynamic technical club dedicated to exploring electrical and electronic projects, with a strong focus on electric vehicles (EVs). We foster innovation through hands-on experience and collaborative learning, empowering our members to tackle real-world challenges in the rapidly evolving field of technology.

# Thank You
