Industry-institute interaction is necessary to bridge the gap between theoretical knowledge and practical application. It provides students with hands-on experience and industry-relevant education, promotes collaborative research, and creates networking opportunities for job placement.

The primary objective of organizing an interaction with local industry leaders were as follows:

- To strengthen industry-academia partnerships and foster a culture of mutual learning and growth.
- To facilitate collaborative research and development that addresses industry-specific challenges and promotes innovation.

- To promote knowledge sharing and technology transfer between industry and academia.
- To create opportunities for industry experts to mentor and guide students, helping them develop the necessary skills and knowledge to succeed in the industry.
- To provide students with industry-relevant education and training that meets the demands of the job market.

Dr. Suhas Gajre started the meeting by welcoming all the dignitaries. Followed by that, the introduction of SGGSE&T institute and all facilities provided by the institute was given by Dr. Manesh Kokare. Dr. Suhas Gajre gave a brief about the innovation & IDEA lab and activities conducted by the labs. Dr. Ravindra Joshi created the platform for industry people where they can introduce their industries, the problems faced in the industries and how industry-institute together can solve those problems by working in collaboration. Also, Dr. Prakash Jadhav has assured the industry person that SGGSE&T will work on introducing some new subjects in the curriculum focusing on current industry requirements and arranging the industrial visits for students to understand the current industry requirements and problems.

Shri. Sunil Raithatha has taken the opportunity to address industry people and faculties present for the event. He also mentioned that many students can solve the various problems of society within less time with the help of new technologies. He said that there is a need to fulfil the needs of industries at the local level and institutes should take the proper steps for the same. He also focused on solving the small problems which bears more opportunities. He emphasized that all of us should work for the welfare of the nation.

Dr. Arti Manjramkar concluded the meeting by thanking all dignitaries and faculties. The lunch was arranged for all of participants and faculties present during the meet. Post lunch, visits to the Robotics Laboratory and SGGIET-AICTE IDEA Lab were arranged for all industrialists.

Dr.M.B. Kokare facilitates Shri. Sunil Raithatha during the meet.
