# SHRI GURU GOBIND SINGHJI INSTITUTE OF ENGINEERING AND TECHNOLOGY VISHNUPURI NANDED- 431606 (MS), INDIA

(Government Aided Autonomous Institute)

## M.Tech. Program in Water Management Department of Civil Engineering

### About Program

- The department runs PG course Water Management since 1991 with an intake of 18.
- The department has a good academic culture and conducive working environment.
- Research and industry oriented syllabus designed by leading academicians and industry experts.
- Actively involved in research, development and extension activities in the areas of water resources, hydropower, irrigation management and remote sensing and GIS.
- Promote the spirit of enquiry and innovation amongst students and encourage entrepreneurship.
- Provides excellent placements and entrepreneurship opportunities.
- Teaching assistantship of Rs. 5000/- per month for maximum of 7 months for non-GATE students in second year, If the students are working for their dissertation in campus.
- International MoU with renowned industries and academia.
- Research centre of Swami Ramanand Teerth Marathwada University.
- The department provides consultancy services for various government and non government bodies.
- The department is having close association with the academic institutes like (IIT Mumbai, VNIT Nagpur, NIT Warangal and BITS Pilani, Hyderabad campus etc..

### Facilities Available

- Advanced infrastructure with high end machines, software's tools in laboratories and ultramodern digital classrooms.
- DST-FIST sponsored laboratories.
- State-of-the-art incubation center Aqua Informatics.
- Experienced and research oriented faculty members team with PhDs from IIT.
- Central library with remote access to e-resources on any device.
- Publications with recent statistics as 100+ journal & conference publications, 6+ book publications and 800+ research citations.

### Area of Expertise

- Water Resource System
- Surface Water Hydrology
- Ground Water Hydrology
- Irrigation Engineering
- Hydraulics Engineering
- Remote Sensing & GIS
