### **A report on “National Mathematics Day” commemorating Sri. Srinivasa Ramanujan’s Birthday.**

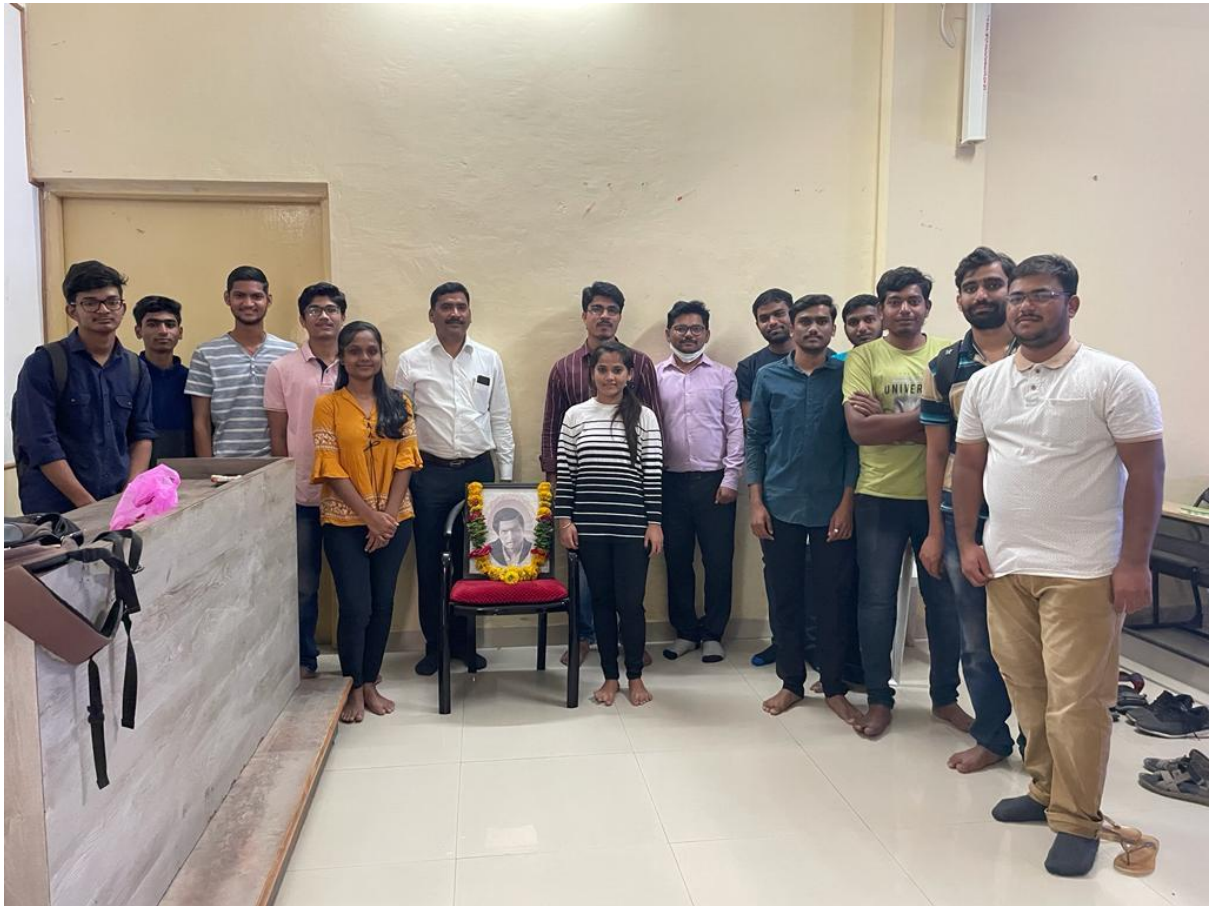

Shakuntala Devi once said, "What is mathematics? It is only a systematic effort of solving puzzles posed by nature." Be it a cook or a farmer, a carpenter or a mechanic, a shopkeeper or a doctor, an engineer or a scientist, a musician or a magician, everyone needs mathematics in their day-to-day life. Therefore, to raise awareness among people about the importance of mathematics, like every year Mathematics Day is celebrated on the occasion of Sri. Srinivasa Ramanujan’s birthday in SGGSIET, Nanded.

The member of Bhaskaracharya Math Club of SGGSIET, Nanded had organized the program. First of all the Patil Sir and Bhaskaracharya Math Club welcomed the dignitaries and the program began with the worship of the great mathematician Ramanujan. Director Dr. Y.V. Joshi, Dean Student Activities Arunkumar Patil sir, Jadhav sir, Holambe sir, Parvekar sir, Chille sir, Kokare Sir were appointed as guest for the program. All the guests had given the information about Ramanujan, and they also gave the example of how Mathematics is at everywhere and how every thing is related to Math. Program anchoring were done by Kush Amrutkar and Rushikesh Bhoskar gives his opinion on National Mathematics Day and Ramanujan. The event passed with full of enthusiasm and joy. The program was concluded with the valuable words of Director sir.

Bhaskaracharya Math Club had also arranged Math Week from 16 to 22 December to increase knowledge and enthusiasm of math among the students. In this math week Bhaskaracharya Math Club had arranged one questionnaire of one question per day. Its winners are also announced on National Mathematics Day on Bhaskaracharya Math Club’s Instagram handle. Kushal Dayma have got first prize, Devesh Gadhave got second prize and Rohit Patil got third prize. The Math Week was indeed a successful event conducted by Math Club members which found out some enthusiastic students. There will be more events like this, and Math Club will work on that!
