The vision of SSGSIE&T, Nanded: "Education of human power for technological excellence"

Students Interface Council (SIC) 2021-22 Minutes of Meeting(3)

Meeting date: November 09, 2021

Members in attendance: Director Dr.Y.V.Joshi, Dean Student Activities Dr.A.R.Patil, Dean Academics Dr.R.S.Holambe and SIC Members 2021-22(CR, CA& All Club Coordinators).

Topic: A meeting proposed by Dean Student Activities to discuss the queries and feedback regarding the new blended model of learning and other queries of Students.

Agenda: The response in offline mode of students, NPTEL Credit Transfer, Hostel related queries, Fees and Bus Refunds.

Points discussed:

- 1)If you do any NPTEL course for credits, the exam fee(i.e maybe 1100 RS) will be returned to you after proper submission of certificates and other details to the institute.
- 2)If you are attending the institute offline use of mask and other regulations should be followed properly otherwise you will be charged with the penalty.
- 3)Even the clubs l will be open and given permission to work for the whole day but the club members will not be allowed to stay in the hostel.
- 4)Most probably the end-term exam will be held online. (Decision is not taken yet)
- 5)Many students are trying to use Coursera for doing the courses free but this year our institute doesn't have a free license so if you want to complete any course you have to do it on your own and pay for it.
- 6)If anyone requires fee receipt of 1st installment for resubmission of scholarship form he/she may mail to Dean Finance(dean.fin@sngs.ac.in).
- 7) Maybe the institute will start with the full strength in the next semester and hostels will start as soon as the institute receives SOP from Government.
- 8) Credit transfer and exam fees reimbursement for NPTELCourse will be done only if the course has at least 70-75% syllabus similar to that of our institute syllabus.
- 9)Bus refunds are done and the amount has been sent to eligible students.
