

## Shri Guru Gobind Singhji Institute of Engineering and Technology, Vishnupuri, Nanded.

To reach maximum people the state government has announced a special-focus vaccination drive for eligible students across college campuses. The drive for '**mission yuva swasth abhiyaan**', is jointly organized by the health department and the Higher and Technical Department, Maharashtra state. As a part of the mission Shri Guru Gobind Singhji Institute of Engineering and Technology, Vishnupuri, Nanded participated in vaccination of college staff and students.

Dean students activities Dr. Arunkumar Patil organized the camp and National Service Scheme coordinator Dr. M. V. Vaidya helped in success of the camp. Hon. director Dr. Y. V. Joshi guided and motivated about the awareness of vaccination in Covid situation the students. A total of 15 students and 02 professors have benefited from this camp.

We got great cooperation from Dr. Singhal in arranging the camp at the institute. Dr Vaishali Deshmukh from Kasturba women's Muncipal Hospital, Yeshwant College Rd, Bhagya nagar, Nanded and her team were present for vaccination camp. The camp was organized from during 12.00 to 5.00 PM. Hospitality for the outside guests' was taken care by NSS team.
