Brief Biography:

I have completed B.E. (1990) and M.E. (1995) from the SGGS Institute of Engineering and Technology, Nanded. During 1995 to 1999, I worked in the First Year Admissions of Engineering and Pharmacy in the Marathwada region. In April 2009, I got an opportunity to develop Central Computing Facility for the Institute to support Technical Workshops, Hands-on Trainings for the students and to conduct online examination support for Training & Placement. The State-of-Art Central Computing Facility has been created with 3 Rack-Servers and 152 Desktop machines well connected to the Internet and Intranet, where I worked as an In-charge of Central Computing Facility from April 2009 to September 2013. During 2013 to 2017 I have worked as a Head of the Department of Computer Science and Engineering. Since 2018 I am Working as Dean of the IT Services of SGGS Institute of Engineering and Technology, Nanded.

Education

- M.E. Electronics Engineering.
- B.E. Computer Engineering.

Experience

- 24 YEARS

Area of Specialization

- Computer Networks, Mobile and Wireless Networks, Database Systems, Data Mining, etc.

Membership

- Life Member of ISTE.
- Member of the Institution of Engineering and Technology (IET).
