

Notice

80% students have responded to my email of taking the admissions. I appreciate their involvement in teaching learning.

It is hoped that remaining 20% will pay the fees today and confirm their admissions. Hope that none will be required to pay late fees.

Today arrangement has been made for students to accept the fees through cash. As there is bank holiday today. Take benefit of this and pay the fees.

Note: Last day for payment of fees of students who have become eligible for higher classes is today (13th July 2019) and 19th July 2019 (with Late fee).

All are also expected to report to their departments on day one i.e. 15th July 2019 without fail.

START ATTENDING CLASSES. Usually first lecture teachers announce the ISE evaluation component and the expectations. So, it is important.
