RE-REGISTRATION OF BACKLOG SUBJECTS FOR ACADEMIC YEAR 2020-21

Evaluation scheme for the AY 2020-21 for undergraduate as well as postgraduate students of SGGSI Institute of Engineering and Technology, Vishnupuri, Nanded is prepared and finalised by considering all the constraints in COVID-19 pandemic situation. The new evaluation scheme is already posted on Institute website.

As per the Government guidelines, all the students are promoted to higher classes irrespective of any number of backlog subjects. The examination of the backlog subjects will be conducted along with regular examinations during the current academic year. Therefore, following strategy will be adopted for conducting examination of backlog subjects:

1. Examinations for all backlog subjects of first semester of all years of all branches will be conducted during first semester of AY 2020-21 only.
2. Examinations for all backlog subjects of second semester of all years of all branches will be conducted during second semester of AY 2020-21 only.

Note: The re-registration for backlog subjects will be carried out online. The schedule for the same will be communicated soon.
