

**Name of lab:- Transportation Engineering Lab**

Sr. No.	Name of Equipment		
1	Ring and ball apparatus	2	Flexure testing machine
3	Pavement core drilling	4	Flakiness gauge Table top balance
5	Bitumen extractor	6	Marshal stability test apparatus
7	Coarse sieves		

Ring and ball apparatus

Table top balance

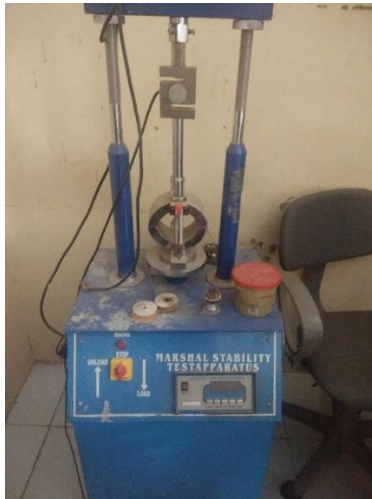

Coarse sieves

Pavement core drilling

Flexure testing machine

Marshal stability test apparatus

Bitumen Extractor
