

**A Report on
Engineer's Day Celebration Program
September-12, 2019
Organized by
Center of Excellence Signal and Image Processing**

Background:

The Engineering Community across India celebrates Engineers Day on 15 September every year as a tribute to the greatest Indian Engineer Bharat Ratna Mokshagundam Visvesvaraya. "Role of Engineers in a developing India" is the theme of Engineers Day 2017. Mokshagundam Visvesvaraya, born on 15 September 1861, in Muddenahalli near Chikkaballapur. He went on to become India's one of the most creative civil engineers. He was also dam builder, economist, statesman, and can be counted among the last century's foremost nation-builders.

M. Visvesvaraya was internationally popular for his brilliance and his great achievement in harnessing water resources in India. This is also important to know that all over the world engineers' day is celebrated on different dates. Engineers are the professionals who design, build and test the construction, raw materials and process of the project; they also consider the restrictions imposed by the regulation, feasibility, safety and cost of the project.

Objectives:

Engineers play a great role in the advancement and economic growth of any company and thus it doesn't matter how they celebrate the annual day, what is important that they must rejoice the annual function to keep motivated themselves and continue with the great work they do for general public.

Beneficiaries: Research Scholars, UG, PG Students.

Format Program:

SELF MANAGEMENT: Modern Positive psychology & Ancient wisdom by Swami Sarvapriyanandaji

About Swami Sarvapriyanandaji:

Swami Sarvapriyananda has been appointed as Minister and Spiritual Leader of the Vedanta Society of New York and assumed his duties here on January 6, 2017. He is a Nagral Fellow for 2019-20 at Harvard Divinity School. Prior to this, he served as assistant minister of the Vedanta Society of Southern California for 13 months, beginning on December 3, 2015.

Swami joined the Ramakrishna Math and Mission in 1994 and received Sannyas in 2004. Before being posted to the VSSC's Hollywood Temple, Swami served as an acharya (teacher) of the monastic probationers' training center at Belur Math. He has served the Ramakrishna Math and Mission in various capacities including being the Vice Principal of the Deoghar Vidyapith Higher Secondary School, Principal of the Shikshana Mandira Teacher Education College at Belur Math, and the first Registrar of the Vivekananda University at Belur Math.

About Program: We have celebrated 15 September as Engineers' day. This year was 51st anniversary of the Engineers day in India and 158th birth anniversary of Sir Visvesvaraya a statesman and an international popular civil engineer.

On this occasion, we have organized Video lecture of Swami Sarvapriyananda for all institute engineers.
