

Criteria 3: Research, Innovations and Extension

Metric 3.2.4: Number of research projects per teacher funded, by government and non-government agencies, during the last five year

Marks: 3

Obtained Grade from NAAC: 0

Expected Grade from NAAC: 1

HEI Input: 18

DVV suggested Input: 01

As per the HEI data in 3.2.1

HEI Clarification Input: 14

The details of the projects and sanction letters are attached in the PDF file. Please consider the updated input as 14.

DVV Recommended Input: 06

Remark:

The HEI claim for Grants for research projects sponsored vide AICTE letter 16 Aug 2018 and Dt 07 Sep 2017 are not eligible as the grant is for 2018-19 in the first case and QIP and not for research. Media Lab Asia sanction including letter of 10 May 2016 considered. Grants under MODROBS and FIST are not research grants but for facility. For the Naval Research Board Grant only 3rd year component is counted (=8.13 Lac). Grant to Dr Sanjiv Bonde has been counted. The HEI has claimed Scholarship money as per letter 26 Nov 2014 which is not eligible.

Appeal:

1. The HEI agrees with DVV about not considering research project dated 16-08-2018 and QIP.
2. However, the HEI still feels that there are 10 projects which are valid for this metric from the list submitted at the time of DVV.
