**Appeal:**

1. The HEI still claims the input provided at the time of DVV, which is 17-15-16-15-19 respectively during last five years. The proofs, reports and photographs for these sports and cultural activities organized at the institute were provided at the time of DVV.
2. The competitions organized by departmental clubs were open for all students of the institute. The HEI feels that these should be considered.
3. In addition to earlier uploaded sports and cultural activities reports, the consolidated report of sports activities signed by director is attached.
4. The cultural activities of the institute are carried out under the umbrella of UTSAV. The reports of UTSAV stand for all the singing, dancing and art competitions conducted at the institute level. So these activities are independent, and should be considered separately.
5. This metric performance with already evaluated autonomous institution AISHE ID (Track ID): C-1262 (KACOGN80356) is compared. It has been graded 4, for 25 average number of sports and cultural activities. In comparison to that, our claimed input of 16 average number of activities should be graded at least higher than 2.
