## What Makes our Program Unique?

- The department runs PG course in Instrumentation Engineering since 1987 with an intake of 18.
- The PG program accredited by National Board of Accreditation (NBA) for three years for third time.
- Covers Instrumentation and control technologies and its applications including Process Control, Artificial Intelligence, Robust Control, Sensor Technology, Signal and Image Processing, Biomedical Instrumentation Engineering and Allied area etc.
- Research and Industry oriented syllabus designed by leading academicians and industry experts to enhance internship and placements.
- Good research facilities with well equipped laboratories and research funding.
- MoU with renowned Industries and Academia.
- Students will build expertise in Process Control, Artificial Intelligence and Information Processing.
- Financial Aid: Teaching assistant-ship of Rs. 5000/- per month for maximum of 7 months for non GATE students in second year, if the students are working for their dissertation in campus.
- Students with BE/B.Tech. in ECE/EC/EE/INSTRU are eligible.

### Area of Expertise
