

Criteria 5: Student Support and Progression

Metric 5.1.4: Average percentage of students benefited by guidance for competitive examinations and career counselling offered by the institution during the last five years

Marks: 8

Obtained Grade from NAAC: 3

Expected Grade from NAAC: 4

HEI Input:

2017-18	2016-17	2015-16	2014-15	2013-14
2969	1503	1334	1487	1118

DVV suggested Input:

2017-18	2016-17	2015-16	2014-15	2013-14
887	803	834	787	718

The HEI has attached the numbers and the activities arbitrarily. The HEI to attach Year-wise attendance of the students attending the guidance for competitive examinations and career counselling signed by the principal. This data must be accompanied by a year wise table format signed by the principal. Reports of the other events also to be attached. The HEI to provide self attested, year wise list of the faculty/counsellor/agency providing the service. Copies of any circular/notice or website link may be provided. Photographs of the set up to be provided. A student attending more than one activity in a to be counted as ONE. The HEI cannot claim that a student is benefited by guidance for competitive examinations and career counselling offered by the institution every year from year 1 to year 4 and as many times. The major benefit, even if counselled for all the years of study, would be once when the student appears in higher exam/placement.

HEI Clarification Input:

2017-18	2016-17	2015-16	2014-15	2013-14
2699	1016	925	1245	1008

The year-wise number of students attending the guidance programs for competitive examinations and career counselling signed by principle is attached.

DVV Recommended Input:

2017-18	2016-17	2015-16	2014-15	2013-14
887	803	834	787	718

Appeal:

1. The HEI claims the data provided at the time of DVV. The proofs in form of reports, attendances, receipts, etc are provided along with list signed by director.

Report on IBM Mainframe Technology Training

The IBM Mainframe Technology Training Program was conducted from 14th December to 26th December, 2015. The course was for the Final year students, to make them aware about the Mainframe Technology used in the software companies. 100 students have registered for the course and have attended the course regularly. Daily schedule for the course was from 9:30 AM to 6:30 PM.

Experts who visited the Institute for Training by IBM:

1. Mr. Raghavendran Srinivasan
2. Mr. Priyadev Divakaran

Course Duration: 14th December to 26th December, 2015 (Approximately 100 hours)

Course Content:

1. Foundation for Mainframe- Mainframe System Skills and Mainframe Operating System + Lab
2. Application Development Track - Mainframe Application Development using JCL & COBOL + Lab

Features of Course:

1. Faculty for training from IBM
2. IBM E-lab for training
3. Course Material
4. IBM Certification

Report on Guest Lecture

Mr.Amol Kharat from ALOHA Technologies, Pune delivered guest lecture on IT Industry best practices and Preparation of Interviews on 21/08/2015 from 1:00pm to 3:00 pm and from 4.15pm to 5.15pm for TY and B.Tech IT students.

He explained the internal environment and working of ALOHA Technologies. The mindset, aptitude, attitude and skills required for Team success. He also explained how to sustain in corporate culture and internal politics of fellow colleagues.

Later he explained how to prepare for interviews for Software Companies. He also encouraged the students to take up certification exams such as SUN Java certification, linux certification, PHP Certification etc.

Students were highly impressed and motivated listening to the talk by Mr.Kharat Amol.

Coordinator: G. K. Pakle

Report on Guest Lecture

Name of the Guest Lecture: IT Industry best practices

Speaker: Mr. Durgaprasad Kalse, IT Analyst, TCS, Pune

Beneficiary: TY IT and B.Tech IT Students

Date: 28/1/2015

Time: 1.00 to 3.00 pm

Mr. Durgaprasad Kalse, IT Analyst, TCS, Pune having 5+ years of project development and delivery experience successfully delivered guest lecture on IT Industry best practices on 28/1/2015 from 1:00 to 3:00 pm for the TY IT and B.Tech IT students.

Subject: Permission to conduct Coding Event "Codethon 2015-16" on 16th Oct 2015

Through: Prof. P. S. Nalwade (HOD, CSE Department)

Respected Sir,

We wish to conduct a Live Coding Event "Codethon 2015 -2016". The C,C++ is hot trend in Core IT Industry, so having expertise in Core Languages can be very useful to students from job perspectives. The Event will be beneficial to all the students of our institute.

Prizes are: 1. First Prize: 5000/-

2. Second Prize: 3000/-

3. Third Prize: 2000/-

Total Expenditure required for conducting the event is around 16000/- including prize money and other expense.

So please allow us to conduct the Event on 16th Oct 2015.

Thanking You.....

Yours sincerely,

UPSC CHAPTER

REPORT-

CONDUCTED, COLLABORATED AND PARTICIPATED EVENTS AND RESPECTIVE
OUTCOMES...

CONDUCTED EVENTS-

- Key note lecture by Mr. Madhav Sulphule (IFS)
- On topic -“ Introduction to functioning of Videsh Mantrayala and Key elements of India’s Foreign Policy”
- OUTCOMES-
- Students got the chance to get acquainted with the functioning of Indian Foreign Ministry.
- Greater awareness among students about various projects of ministry & glitches in the administration.
- Students were able to understand the importance of Diplomacy in Professionalism.
- Students got to know more about Indian Foreign Service as a career option and do’s and don’t’s to be followed during preparation.

- Key note lecture by Mr. Sanjay Lathkar (SP)

On occasion of Vigilance Awareness Week on the topic of Perpetrating crime & corruption in the society and tackling it in Ethical manner.

❖ OUTCOMES-

1. Students got the chance to get acquainted with the functioning of the Anti-Corruption Bureau.
2. Reliable information which can be directly put to use in practical life.
3. Terms and tactics being used by professionals and how can their efficiency be increased or such alternatives can be implied in the other sector.
4. Students got to know the importance of the subject Human Values and Professional Ethics being taught in the institute.

COLLABORATED EVENTS-

•Chakravayuh was the event organised by Team DRISHTI in collaboration with UPSC Chapter.

❖Outcomes-

- 1.The event was a competition to be played in the group so it helped to students get to know about the strength and weaknesses of working in a team and how it can be improved via co-ordinated efforts.
- 2.The event consisted of various rounds such as Aptitude, Science, Literature , Current Affairs and such related to 14 streams in total so the students able to test their limits in all the fields for more overall development and keeping with the pace in the era of Globalisation.
- 3.The last round was a Group Discussion for a more clear vision of who got it clear and those who didn't what are the do's and don'ts to be followed.

PARTICIPATED EVENTS-

- NSS Police Mitra-
- OUTCOMES-
- Students got to know about various glitches need to be faced for effective administration.
- More awareness about the environmental pollution and ways to tackle it.
- Environment Impact Assessment of various human activities which later leaves us vulnerable to various catastrophic events.
- Also student got to know about the crucial topic of how the Indian debate of secularism is different from those of western debate of secularism.

- NSS One day visit to village Nila-

❖ OUTCOMES-

1. Students got to know the ground level condition of schooling in the practicality of Indian context.
2. Students pointed out various technical faults and also various technical solutions that can be incorporated for the better standard of living of rural people.
3. Social impact assessment of various reasons for their alienated treatment and its economic impacts being faced by majority chunk.
4. Cruciality of decentralised governance in the better planning and execution of policies.

UPCOMING EVENTS-

- A programme on 29th March 2019 on **“Career guidance for UPSC/MPSC aspirants”**. This programme will be addressed by Ashwini Shendge, Deputy Superintendent of police - Nanded.
- Ashwini Shendge is alumni of our institute of 2014 batch from Electronics and Telecommunications branch.
- She had cleared MPSC State services exam in year 2016 with rank of 206.

Subject: Regarding Approval for Expert Lecture by Microsoft Professional for third year and final year students in the Institute.

Respected Sir,

With reference to the subject cited above, Department of Computer Science and Engineering is going to organize an Expert Lecture for third year and final year from 13th August 2016.

The program is beneficial for our students which helps them to explore the opportunities in companies like Microsoft. **Mr. Rahul Gupta** from Microsoft is going to conduct sessions for students. He is coming from Hyderabad by his own car. Total approximate expenditure for this program is Rs 22000/- (Twenty Two Thousand Only) may be granted through TEQIP -II.

This is for your kind information and approval please.

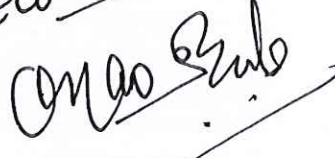

Thanking you,

Sincerely,

H P Ambulgekar
