This year's Independence Day of India was marked with all the reasons to celebrate and revive the memories of those leaders of India and Indian Independence movement. On this occasion various patriotic programs were arranged for all students of SGGSIET over various online platforms.

VOICE Club also organised a Special Webinar on the occasion of 74th Indian Independence Day which was attended by over 90 participants and

Hon Dr. Y.V. Joshi (Director Sir), Hon Prof. R.S. Holambe (Dean Academics) and Hon Dr. A.R. Patil (Dean Students' Affairs).

Hon R.S. Holambe Sir spoke about the activities that VOICE Club has been conducting in SGGSI&T and now over online platforms for the benefit of students and also said that this is a great opportunity for all the students to get to know more things about India. Hon Director Sir also spoke appreciative words for VOICE Club activities before and after lockdown. Also Sir highlighted *the contributions of Ancient and Modern India to the whole world in the form of Yoga and Scientific discoveries.*

The program was marked with the talk of the famous Motivational speaker Mr. Anand Munshi who has given many Motivational seminars all over India also he is a corporate trainer and a famous TEDx speaker. The speaker gave a very enlightening talk for about 60 minutes to all present students of SGGSI&T and other Institutes. The session was interactive which was very much liked by all audience members and many topics were discussed during the

session ranging from *Spiritual Heritage of India to Youth Power of our Nation.*

Mr. Anand Munshi inspired all to take full advantage of the opportunities during the period of lockdown and to take up the 180 Days Challenge for developing any 3 skills over the period of 6 months. He also mentioned that India's Value system is our biggest heritage and quoted '*Make Success Your Moral Duty*' emphasising on the 3Cs - Competence, Character and Communication.

He also shared many motivational stories of Albert Einstein and Roger Federer to highlight the importance of quality of staying with the problems for a little longer time and having a mentor in our life. He also shared links to some important videos and answered a few questions of students.

The webinar was ended by an announcement for the upcoming 6 session course by VOICE Club known as Journey of Self Discovery (Free Registration) and a 'Vote of Thanks' to all the participants, guests and VOICE Club's faculty co-ordinator Dr. A.R. Patil Sir without whom the program wouldn't have been a success.
