### ***Educational Qualification:***

Sr. No.	Qualification	Institute/University	Branch/Specialization	Year of Passing
01.	Ph. D. Pursuing	Indian Institute of Engineering Science and Technology, Howrah (W.B.)	Information Technology	--
02.	M.TECH.	Indian Institute of Information Technology, Allahabad (U.P.)	Information Technology	2008
03.	B.E.	R.T.M. Nagpur University	Information Technology	2006

### ***Courses Undertaken:***

Sr. No.	Title of course Taught	Under graduate/ Post graduate
01.	Object Oriented Programming	Under Graduate
02.	Database Management System	Under Graduate
03.	Coding Theory	Under graduate
04.	Cryptography and Network Security	Under graduate
05.	Net-Centric Computing	Post graduate
06.	Advanced Trends In Database Management System	Post graduate
07.	Information and Wireless Network Security	Post graduate

### ***Overall Contribution to Institute till Date:***

#### ***a. Departmental Activities:***

1. Worked as Practical coordinator for End term Examination of the Department.
2. Worked as S.Y. and T.Y. Coordinator in the Department.
3. Lab In-charge of Software Development Lab of the Department.

#### ***b. Institutional Activities :***

1. MIS In-charge of Account Section Module for making Account Section Online.
2. Team Member of Institute Level Network Committee.
3. Worked as Exam Coordinator-I for End term and Summer term Examination.
4. Worked as Executive Body Member of SGGS Engineers Alumni Association.
5. Worked as Registration Committee In-charge for SGGS Alumni Meet.

6. Worked for online submission of data for Extension of approval/Introduction of New Course/Increase in Intake to AICTE for academic year 2010-2011,2011-2012, 2012-2013, 2013-2014 and 2014-2015.
7. Worked as ARC Officer for First year and Direct Second Year Engineering Admission for Academic Year 2012-2013.
8. Worked as Member of Monitoring and Evaluation unit under TEQIP-II of the Institute.
9. Worked as Web In-charge of SGGGS Engineers Alumni Association.
10. Worked as Sub-District Liaisoning Officer for MT-CET-2013 for Engineering and Medical Admission in Academic Year 2013-2014.
11. Worked as Observer for PG-CET-2013 for M. Tech. Admission in Academic Year 2013-2014.

### ***c. National Activities***

1. Worked as Technical Expert for E-Governance system held for scrutiny of applications for Extension of Approval / Introduction of New Courses / Increase in Intake at AICTE (SWRO) Bangalore, AICTE (SRO) Chennai, AICTE (CRO) Bhopal and Compliance report at AICTE Head Office, Delhi.
2. Worked as Expert for J &K admission through AICTE at Srinagar in Year 2014.

### ***d. International Activities***

1. Worked as Coordinator for visit of Universiti Teknologi Petronas (UTP) Malaysia with SGGSIET, Nanded for MOU on 23<sup>rd</sup> June 2013.

### ***Courses Attended:***

Sr. No.	Title of the Course	Institute Name	Duration	Funding Agency
1.	STTP on Recent Trends in Advanced Image Processing	G. H. Rasoni College of Engg. Pune	23/11/2009-27/11/2009 (01 Week)	ISTE
2.	Mission 10X Workshop	SGGSIE&T, Nanded	30/11/2009 to 04/12/2009 (01Week)	ISTE
3.	STTP on Mobile Application Development	Smt. Kashibai Navle College of Engg.Pune	28/06/2010-02/07/2010 (01 Week)	AICTE
4.	ISTE Workshop on Database Management System	IIT Bombay at VNIT Nagpur	13/12/2010-12/12/2010 (02 Week)	ISTE
5.	FDP on Recent Advances in Speech, Image and Video Processing	SGGSIET, Nanded	12/12/2011-23/12/2011 (02 Week)	AICTE
6.	FDP on Analytical Techniques for Applied Research	SGGSIET, Nanded	21/01/2013-25/01/2013 (01 Week)	TEQIP
7.	FDP on Research Methodology: Tools and Techniques	SGGSIET, Nanded	11/03/2013-15/03/2013 (01 Week)	TEQIP
8.	FDP on Wireless Sensors and Their Applications	SGGSIET, Nanded	18/03/2013-22/03/2013 (01 Week)	TEQIP
9.	FDP on Emerging Trends in Nanoscience and Nanotechnology	SGGSIET, Nanded	06/08/2013-10/08/2013 (01 Week)	TEQIP
10.	CEP on Advanced Wireless and	NIT, Warangal	03/10/2013-07/10/2013 (01	TEQIP

	Mobile Network Technologies		Week)	
11.	STTP on Biomedical Signal Processing	SGGSIET, Nanded	30/03/2015-03/03/2015 (01 Week)	TEQIP
12.	STTP on Matlab in Research and Data Analytics	SGGSIET, Nanded	02/05/2016-07/05/2016 (01 Week)	TEQIP
13.	NATIONAL WORKSHOP ON "RECENT ADVANCES IN MODELLING & COMPUTATIONAL TECHNIQUES IN APPLIED MATHEMATICS"	IEST, Shibpur, Howrah	20/11/2017-24/11/2017 (01 Week)	TEQIP
14.	GIAN COURSE ON "Advanced Wireless Networks: From 5G to Cognitive Radio"	IEST, Shibpur, Howrah	18/12/2017-22/12/2017 (01 Week)	MHRD
